Celebrating the life & Memory of

Thomas B. Scott Jr.

March 5, 1923 - April 25, 2010

HIGH FLIGHT

Oh! I have slipped the surly
bonds of Earth
And danced the skies on
laughter - silvered wings;
sunward I've climbed, and
joined the tumbling mirth

Of sun-split clouds, - and done
a hundred things

You have not dreamed of - wheeled and soared and
swung
High in the sunlit silence. Hov'ring there

I've chased the shouting wind along, and flung
My eager craft through footless halls of air...

Up, up the long, delirious burning blue
I've topped the wind-swept heights with easy grace,
Where never lark, or even eagle flew -

And, while with silent, lifting mind I've trod
The high untrespassed sanctity of space,
Put out my hand and touched the face of God.

No 412 squadron, RCAF
