A Mothers Love

*Thank you for watching over us
All of the sleepless nights you lay awake
Thank you for knowing when to
hold us close and when to let us go*

*Thank you for every stepping stone
And for the path that always leads us home
We thank you for the time you took
to see the heart inside of us*

*Thank you for every sunlit day
That fills the corners of our memory
Thank you for every selfless unsung deed
We know you did for us*

*Thank you for giving us the choice
To search our soul till We could find our voice
We thank you for teaching us
To be strong enough to bend*

*You gave us the roots to start this life
and then you gave us wings to fly
We learned to dream Because you believed in us*

*There's no power like it on this earth
No treasure equal to its worth
The gift of a mother's love*

We thank God for your love
