### **My Way**

And now, the end is near,  
And so I face the final curtain,  
My friend. I'll say it clear,  
I'll state my case of which I'm certain.  
I've lived a life that's full.  
I've travelled each and every highway,  
And more, much more than this, I did it my way.

Regrets, I've had a few,  
But then again, too few to mention.  
I did what I had to do,  
And saw it thru without exemption.  
I planned each chartered course,  
Each careful step along the byway,  
And more, much more than this, I did it my way.

Yes there were times, I'm sure you knew,  
When I bit off more than I could chew,  
But thru it all, when there was doubt,  
I ate it up, and spit it out.  
I faced it all, and I stood tall,  
And did it my way.
