MOTHER LOVE

God surely knew the world would need
A gentle loving touch,
When He created mother love
That warms our hearts so much.

He must have known that children
Would need a guiding hand,
Someone who'd always be there
To care and understand.

God must have known our hearts would need
A special kind of cheer
When He endowed a mother's face
With smiles that would endear.

Of all the gifts that God does send
From His heavenly realm above,
There is none that is more precious
Than that of mother love.

To Those I Love and Those Who Love Me

When I am gone, release me, let me go-
I have so many things to see and do.
You must not tie yourself to me with tears,
Be thankful for our many beautiful years.

I gave to you my love. You can only guess
How much you gave to me in happiness.
I thank you for the love you each have shown,
But now it's time I traveled on alone.

So grieve a while for me, if grieve you must,
Then let your grief be comforted by trust.
It's only for a time that we must part
So bless the memories within your heart.

I won't be far away, for life goes on
So if you need me, call and I will come,
Though you can't see or touch me, I'll be near
And if you listen with your heart, you'll hear
All my love around you soft and clear.

And then, when you must come this way alone,
I'll greet you with a smile, and say:
"Welcome Home!"
