Oh we never know where life will take us
I know it's just a ride on the wheel
And we never know when death will shake us
And we wonder how it will feel
So goodbye my friend
I know I'm gonna see you again

The love you gave me through all the years
Will take away these tears
I'm okay for now
Goodbye my friend

Life's so fragile and love's so pure
We can't hold on but we try
We watch how quickly it disappears
And we never know why

But I'm okay now
Goodbye my friend
You can go now
Goodbye my friend
