A Mother Day Card
to my wife from the
Husband of her Children
What is a mother?
A mother is always caring & attentive
to her children
A mother is always ready to lend
a helping hand to her children
when they are hurting & down in
spirit.
A mother tries to gently lead
her children into the right path
to get them closer to our
Savior Jesus Christ.
A mother always ~~make~~ make
sure that her children has
plenty of everything before her
needs are ~~filled~~ full filled
As her husband I know what
kind of mother my wife is and I
am proud to say that she is the
'best' & that I love her now &
always. Charlie 'Dell'

MOTHER LOVE

God surely knew the world would need

A gentle loving touch,

When He created mother love

That warms our hearts so much.

He must have known that children

Would need a guiding hand,

Someone who'd always be there

To care and understand.

God must have known our

hearts would need

A special kind of cheer

When He endowed a mother's face

With smiles that would endear.

Of all the gifts that God does send

From His heavenly realm above,

There is none that is more precious

Than that of mother's love.
